

Satisfaction Guarantee

We guarantee that you will love your ElliptiGO® bicycle. If you purchased your bike directly from ElliptiGO Inc., you can return it for any reason within 30 days of purchase for a full refund, less return shipping charges, if any. It is your responsibility to retain all original packing materials so they can be used in the event of a product return. Any item that is damaged or is missing parts for reasons not due to our error may receive a partial refund. Just contact us at service@elliptigo.com to arrange the return.

If you purchased from an authorized dealer, that dealer's return policy will apply instead.

Limited Warranty

The warranty covers your ElliptiGO bicycle against defects in material or workmanship for the periods stated below:

- Five years: Frame
- Two years: Fork, Pedals, Crank Arms, and Steering Column
- One year: All Other Components, Paint and Decals

The warranty period begins upon purchase. This is the only warranty for your ElliptiGO bike and it is limited to the initial purchaser (it expires upon resale or transfer of the product to another party). The warranty applies only to products purchased from ElliptiGO Inc. directly or from an authorized dealer. **Any implied warranty of merchantability or fitness for a particular purpose is limited to the duration of these written warranties.** Some States do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

This warranty is being provided by ElliptiGO, Inc., 722 Genevieve St., Solana Beach, California. During the term of this warranty, if you experience a defect in your ElliptiGO bicycle, we will either repair or replace the defective part. The warranty repairs should be completed in a reasonable amount of time, not to exceed 30 days. This warranty does not cover any costs for return shipping, labor installation, transportation or any other expenses incurred because of the defective part.

Limits to Coverage

This warranty does not cover damage to your bicycle resulting from:

- Normal wear and tear
- Improper use (see Owner's Manual for a detailed discussion of proper and improper use of the ElliptiGO)
- Improper assembly of a component or the bike itself performed by someone other than an authorized representative of ElliptiGO
- Improper servicing of a part by someone not authorized by ElliptiGO
- Failure to perform routine maintenance
- Damaged caused by using parts other than the original parts or replacement parts purchased from ElliptiGO
- Collisions, crashes, or physical abuse to the bike
- Neglect or use of the ElliptiGO bike when in a state of disrepair

Note that tires, tubes, brake pads, spokes and other wear parts will need to be replaced periodically as they wear out. We warranty that they will be free from defects in manufacturing and workmanship, but not from failures caused by usage.
